Nepali Pathshala of Virginia

Nepali Pathshala of Virginia greatly appreciates to all the volunteers, teachers, parents, distinguished guests, children for their great efforts to make our 2nd annual program a remarkable.

Our children work very hard to show their performances up on the stage which reflected what they have learned and dedication to learn Nepali language, culture, arts and heritage.

This is the journey our children have started with little steps and we are so proud of that the steps are going into the right direction and one day they will have a great story to tell the young generation.
